Thank you for choosing ArLight Cinemas!

To make your visit as enjoyable as possible, please remember:

SHOW UP IN TIME!

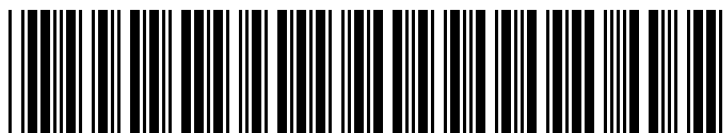

Because ArLight shows no in-theater advertising, the feature film will begin shortly after the scheduled show time. In order to allow for uninterrupted movie viewing, no one will be seated after the feature film begins. Be sure to check the departure board in the lobby for your auditorium assignment. Please be advised there are no refunds and no exchanges.

PARKING VALIDATIONS

Don't forget to bring your parking ticket with you to the theater. With ticket purchase, ArLight offers validated parking in the Dome Entertainment parking structure. ArLight validation is \$2 for the first four hours. For festivals and other specially designated programs, ArLight validation is \$3 for the first four hours.

PRESERVING THE EXPERIENCE

Be a part of what makes ArLight special by respecting the movie going environment offered at ArLight. Remember to turn off cell phones and electronic devices, and refrain from talking and texting while in the auditorium.
